

## WHAT'S NEXT?

On behalf of Real SC, and our partners AC Chievo Verona & Global Image Sports, thank you very much for attending the 2018 AC ChievoVerona Identification Camp! We hope your game was improved and you enjoyed the activities that are done in the Chievo Academy in Italy! This camp is also unique in other ways:

- The best players from this State Camp you just attended will receive an invitation to a four-day National Residential camp in Casa Grande, Arizona, in a state of the art soccer facility, August 2<sup>nd</sup> - 5<sup>th</sup>, 2018. **Stay tuned for an email from Global Image Sports!**
- **Players excelling at the AC ChievoVerona National Camp in Arizona this Summer** (approximately, top 25% of all identified players), will receive an invitation to travel to the Chievo professional academy in Verona, Italy, Spring 2019. (SEE ACADEMY ELITE TRIP BELOW).
- Some of these top players will also receive invitations to the Residential Program to live and play in Verona. 3 players attending this Idaho camp last year, lived and played in the Bottagisio Sport Center, Chievo's Academy for 3 months!

It is important to be aware that all National Camp players fall under the GIS Tiered System of Player Development – which helps identify players based on their talent, and then provides them access to the appropriate training and development level resources.
