

Jorge Vega

Licensure: USSF Grassroots ongoing

Playing Experience: I began playing at the University of Idaho recreationally in 2012. I was able to learn and play against highly skilled players which challenged me to improve. I continued to push my soccer skills and was able to play with the University of Idaho Men's Club team. In my time at the University of Idaho I participated every fall and spring in intramural competitive soccer. During my graduate year I was able to work with the women's soccer team filling in as an equipment manager. I Also had the opportunity to fill in as a practice player for some practices. Currently I consider myself an avid soccer player looking to play any chance I get.

Club Coaching Experience: I have 3 years coaching experience at the youth level. I started coaching to help my son grow as a player. I began coaching at the rec level in Middleton, ID in the spring of 2022. Shortly after coaching at the rec level I transitioned to the competitive level and became the head coach for the U10 Middleton Roma team (2022-2023 season). I continued coaching the following year for the U11 team (2023-2024 season). The highlight of our 2024 spring season for our U11 team was placing 2nd in the Director's Cup Tournament in Boise, ID.

Camp Experience: Real Madrid Foundations Soccer Camp (2024), University of Idaho Soccer Camp 2015

Professional: Studied at the University of Idaho from 2010-2016. Graduated with a Bachelors & Masters in Exercise Science and Health.

Goals: My goals as a coach are to inspire young athletes to be the best version of themselves on and off the pitch. I want my players to know that hard work can yield big results.
