

Tyler Worthen

Tyler Worthen Jr started playing soccer as a 1st grader then took a short break to pursue Flag Football. He began soccer again about four years ago playing as a Defender. However he immediately fell in love with goalkeeping due to his defensive mind, fast reflexes and ability to lead and drive his team on the field. He immediately became his team's dedicated goalie for the past four seasons in Oregon. Since moving from Oregon in 2024, Tyler has been assistant coaching his sisters U12 Rec team.

With Real Soccer, Tyler is excited for the opportunity to teach other aspiring young goalies to become the best they can be on and off the field!
