## TRYOUT HANDOUT

### REAL S.C. U9-U19 OPEN TRYOUTS

June 2nd & June 3rd, 2025

WELCOME TO THE SOCCER YEAR 2025-26!!

We enter our 24th year of operation excited to accept new players for our Real Boise, Real Caldwell, Real Eagle, Real Meridian and Real Middleton Competitive Programs!

*Note: If you have kids interested in recreational soccer instead of competitive soccer, you can find information & online registration for our Academy (U4-U9) and Rec (U10-U15) programs in our registration page at <https://realsoccerclub.org/player-registration/> or below in section 11 (no tryouts are necessary for these two recreational programs).*

Hundreds of players, boys and girls, recreational and competitive, are already enjoying our professional club. In the 2024-25 year, we registered more than 500 players! Real SC is one of the oldest competitive clubs in Idaho, and the oldest competitive soccer club in this area. **The lower fees, the high-quality resources** at all levels and the **comprehensive development opportunities for our coaches** are just some of the important reasons Real SC continues to be a reference for hundreds of families in the Treasure Valley! Tryouts can be stressful, but we will try to make them a fun experience for your kid or kids!

#### IMPORTANT:

- You are not obligated to commit to a team in order to participate in a tryout.
- It is not mandatory to attend both days of tryouts to get a spot in a team. (However, if you are sure you want to sign up for our club, we encourage you to attend both days. It helps coaches to run better tryout sessions).
- Competitive player registrations are for the full soccer year, that is, for Fall 2025 through Spring 2026. (Parents rely on each other's yearly commitment to keep their team together for the full soccer year.)

Now, please find below all the info you will need during these tryouts!

## 1. TRYOUTS IN TWO LOCATIONS!

Instead of having tryouts in each of the 5 cities where we currently offer competitive programs, our tryouts have been combined:

- ⚡ **Caldwell and Middleton** players (and those from surrounding areas) will try out in Place Park, Middleton (details below).
- ⚡ **Boise, Eagle, and Meridian** players (and those from surrounding areas) will try out in Joplin Elementary, Boise (details below).

*Why do we combine tryouts?*

✦ This is due to logistical reasons, as tryouts require significant staff and resources to operate. During the regular season, each of our 5 cities' competitive programs will train in their own city. ✦
