TRYOUT HANDOUT

REAL S.C. U8-U19 OPEN TRYOUTS

June 8th & June 9th, 2026

WE MAKE IT EASY:

No pre-registration online is needed to come to tryout!

WELCOME TO THE SOCCER YEAR 2026-27!!

We enter our 25th year of operation excited to accept new players for our Real Boise, Real Caldwell, Real Eagle, Real Meridian and Real Middleton Competitive Programs!

Note: If you have kids interested in recreational soccer instead of competitive soccer, you can find information & online registration for our Academy (U3-U8) and Rec (U9-U15) programs in our registration page at <https://realsoccerclub.org/player-registration/> or below in section 11 (no tryouts are necessary for these two recreational programs).

Every year, hundreds of boys and girls—from recreational players to top competitive athletes—find their soccer home in our professional club. In fact, during the 2025-26 season alone, our family grew to over 480 registered players! As one of Idaho's foundational soccer institutions and the longest-running competitive club in the local area, Real SC remains a trusted benchmark for Treasure Valley families. We achieve this by balancing the highest quality resources and dedicated coach development with the most accessible fees in the region. We know tryouts can feel overwhelming, but our priority today is to ensure your child has an encouraging, fun, and positive experience on the field!

IMPORTANT:

- You are not obligated to commit to a team in order to participate in a tryout.
- It is not mandatory to attend both days of tryouts to get a spot in a team. (However, if you are sure you want to sign up for our club, we encourage you to attend both days. It helps coaches to run better tryout sessions).
- Competitive player registrations are for the full soccer year, that is, for Fall 2026 through Spring 2027. (Parents rely on each other's yearly commitment to keep their team together for the full soccer year.)

Now, please find below all the info you will need during these tryouts!

1. TRYOUTS IN TWO LOCATIONS!

Instead of having tryouts in each of the 5 cities where we currently offer competitive soccer programs, our tryouts have been combined:

- ⚡ **Caldwell and Middleton** players (and those from surrounding areas) will try out in Place Park, Middleton (details below).
- ⚡ **Boise, Eagle, and Meridian** players (and those from surrounding areas) will try out in Joplin Elementary, Boise (details below).

Why do we combine tryouts?

⚡ This is due to logistical reasons, as operating tryouts requires significant staff and resources. However, during the regular season, competitive programs for each of our five cities will train locally in their respective locations. ⚡
