Ashley Tesch

Soccer has been a part of my life for over 20 years. I was lucky enough to play for more than 10 years and even had the opportunity to travel and compete as a goalkeeper for a large club. Those experiences helped shape my love for the game and gave me a strong appreciation for the dedication, teamwork, and confidence that comes with playing goalkeeper.

After I stopped playing, I had the opportunity to serve as an assistant coach alongside my former coach at BTT. That experience allowed me to grow as a coach and discover how much I enjoy helping young players develop both on and off the field.

I am now excited to continue my coaching journey with Real Soccer Club as a Goalkeeper Coach. My goal is to help goalkeepers develop strong technical skills, build confidence, and learn to embrace the unique challenges and responsibilities of the position. Most importantly, I want to create a positive environment where players can have fun, make mistakes, and continue growing their love for the game.
